

INT - HOUSE

Willy lies on the couch, head in hand. Around him, old soda cans, chip bags, and plates litter the floors and tables. Wallace pulls up a picture of Grace.

WALLACE

She's from when I went to the
place with the guy and did the
thing with that-

Willy mumbles ("Yeah, the thing"), and nods.

WALLACE

It was hard to find a girl you
haven't tried to score. But look
at you, what's not to like?

Willy scratches his hair (dandruff falls - snow sfx). He brushes some crumbs off his torso and sighs. Wallace recoils and covers his nose.

WALLACE (GRIMACING)

Just be yourself, man. Chicks
will dig it.

EXT - Garden

A table is in a garden, with a bouquet in the middle. Willy is sitting there adjusting his tie. Across him is Grace. Birds are tweeting in the background. He blows his nose(wet).

GRACE

So Wallace tells me you're into
computer coding?

BEAT. We see Grace pick at her full plate.

Willy finishes off his plate, scraping the rice into his mouth. He tries to take a sip of his drink but keeps missing his straw. Grace looks unamused.

WILLY

(pointing at Grace's plate)
You gonna finish that?

GRACE (looking around)

Where's the waiter?

CUT TO: Wide shot of the isolated
background. No one enters.

Willy is still trying to find the straw with his mouth. He finally gets it.

GRACE

(laughing)
You remind me of my brother

Willy stops drinking and looks up, taking a long pause.

INT - House

Willy holds his head in his hands and looks up at Wallace. He shakes his head.

Wallace grins, and holds up a picture of Lilith (not 'goth').

WALLACE
You ever seen Dracula?

Willy furrows his brows.

INT - Basement

CUT TO Candles surround a sacrificial circle, Willy and Lilith sit in the middle. On top of the table, there are tall sticks of candles.

Willy looks at Lilith, and she glares at him harshly. Willy glances away.

WILLY
So do you have any - pets?

A beat.

LILITH
A cat. Two. I used to have a spider. Used to. But my bat ate it. (blah blah blah).

As Lilith is talking, she licks her lips. Willy's eyes dart down (camera pans from eyes to lips). He's getting a really dumb idea. He licks his lips in slo-mo.

Willy swallows his fear (literally). Willy stands up and leans across the table, trying to kiss her. The table collapses, and Willy drops to the floor.

INT - HOUSE

Willy enters the house, shirt soaked in sweat, holding an ice pack to his face, looking dejected. He shakes his head and begins to speak (about to tell him he FELL OFF THE TABLE)

Wallace points to a picture of Samantha (looking prestigious).

WALLACE

She was my lab partner a couple weeks back.

INT - bathroom

The bathroom is filled with makeup, brushes, and dirty clothes. A table sits in the middle of it with a mirror behind Willy. Samantha is on her phone, aggressively chewing on her gum while twirling her hair. Willy watches and takes his hair out of his bun. He attempts to twirl his hair like her. Samantha looks up for a moment, and furrows her brows.

WILLY

So **Samantha**, Wallace tells me you were the valedictorian?

Samantha nods in agreement. Wallace chuckles and sweeps his hair behind his ear. She blows a bubble with her gum; it pops, and she continues chewing it. Willy watches in admiration. He leans back from the chair, pulls out a piece of gum from beneath the table, and attempts to blow a bubble. The chewed gum shoots out of his mouth and lands in front of Samantha. Samantha slowly picks it off.

INT - House

Willy lies on the floor, while Wallace sits by the table, studying.

WILLY

I don't get it man, I did everything you told me to!

WALLACE

Mhm (unbothered)

Willy reaches for a soda can, and just isn't able to get his fingers there. He slumps back down. The doorbell rings. Willy glances over, but Wallace barely notices. Willy moans and pulls himself up. It takes some time. He brushes himself off and opens the door. Standing at the door are Grace, Lilith, and Samantha. Grace is holding a single cupcake, Lilith is holding a dead rose, and Samantha is holding a slip of paper with her number. Willy turns around while the girls shove each other at the doorway, and smirks at the camera.
